

Happy New Year from the Arditi GmbH!

Dear customers,
we hope you had a good start into the **New Year**.
Also in this year we would like to continue to work closely with you,
that's why we present you **three news** at once:

We are proud to present you our new logo - of course with the
high quality of products, service and know-how as usual!

As the **swedish distributor** we could win the company
Frinab Fristad Industri AB for the Arditi GmbH
(for article numbers that start with an 8...).
We are looking forward to a successful cooperation!

CEO of the Arditi GmbH, Ingo Schneider

CEO of the Frinab Fristad Industri AB, Bo Hennings

We have also expanded our **profile range** for you -
of course with suitable covers and brackets.

LED profile series XTRA-M

Length: 2m

Profiles in silver anodized are on stock, all other colours are on demand.

**Silver
anodized**
